

Dear Community Partner,

Because of partners like you, Second Harvest Food Bank distributed nearly 16 million pounds of food last year to families across our community who are facing impossible choices.

Rising grocery prices, increasing gas costs, housing expenses, and ongoing economic uncertainty have stretched household budgets beyond what they can sustain. More working families than ever are turning to food pantries for support — not because they failed, but simply because the cost of living continues to rise.

At Second Harvest Food Bank, we see this reality every day.

More people are turning to us for help because they do not have enough money left over after paying bills and basic living expenses. Hunger no longer looks the way many people expect it to. It is affecting families in every corner of our community.

That is why your partnership matters now more than ever.

We invite you to stand with us as a sponsor of **Hunger Action Night on Tuesday, September 29, 2026, from 5:00–8:00 PM at Black River Farms in Center Valley**. Held during Hunger Action Month, this meaningful evening brings together community leaders, businesses, advocates, and supporters. Your support is not simply sponsoring an event. It is helping place food on tables, supporting families during difficult times, and reminding our neighbors that they are not alone.

Every sponsorship directly supports Second Harvest Food Bank's mission of providing nutritious food to families, children, seniors, veterans, and individuals across Lehigh, Northampton, Carbon, Monroe, Pike, and Wayne counties.

Last year alone, Second Harvest Food Bank:

- Distributed more than 15.8 million pounds of food
- Served over 124,000 individuals each month
- Supported more than 200 partner agencies throughout the region
- Helped provide food assistance to children, seniors, veterans, and working families facing food insecurity

As the demand for food assistance continues to rise, community support has never been more critical. Together, we can take action against hunger and create meaningful impact for the thousands of neighbors who rely on Second Harvest Food Bank every month.

Enclosed, you will find sponsorship opportunities and benefits for this year's event. To discuss partnership opportunities or ways your organization can get involved, please contact Sandra Bieber, Chief Philanthropy Officer, at sbieber@cacvlv.org or 484-788-3216.
